

Lions Discuss New Civic Building For Service Clubs

Plans to build a new civic club auditorium were discussed by Pahokee Lions at their Tuesday luncheon meeting. The present Lions building is on the site of the proposed new \$142,000 Cross hotel and W. A. Cross has an option on its purchase. M. T. Keen, vice president who presided in the absence of President J. M. Elliott, appointed Harry Waldschlager, Rupert Mock and Joe Hatton on a special committee to work with Rotarian and Legionnaire committees in the drawing up of final plans for the new civic club building.

Rupert Mock announced that a Lions sponsored clinic for the blind was open in West Palm Beach this week for the free treatment of any person in the county who is threatened with the loss of eyesight.

A. P. Patterson of West Palm Beach, Gulf Stream Council scout executive, as guest speaker told the Lions of scout work under way and being planned for the future. He suggested the possible organization of air scout units as a means of keeping boys of senior scout age interested in advanced scouting activities. Many of the older boys were being attracted to sea scouting and air scouting should prove equally attractive to others, he said.

Carl A. Moberg, Pahokee PTA president, gave a brief outline of PTA plans for the coming year. The Pahokee PTA broke all records with a membership of 376 last year and the membership goal has been raised to 500 this year, he said. He asked for the Lions assistance in the attainment of this goal.

Pete Bardin, paratrooper with Patton's Third Army, now home on furlough, told of some of his experiences on the battle front. He was wounded in one engagement with the enemy. Other guests were Miss Dorothea Carpenter, John Hatton and Uncle Tom Campbell.

Traffic Lights Go Up In Pahokee

Members of the Pahokee police department said yesterday that plans have been made to erect a traffic light at the intersection of Barfield highway and Canal Point road in Pahokee. By putting a light at this particular intersection it will tend to break the speed of motorists just before they enter the school zone, it was pointed out.

Another traffic light will be put in its old location on the corner at the Bank of Pahokee. This one has been down during the war.

Chairmen Named Canal Point PTA

Mrs. F. M. Wilson, president of the Canal Point PTA, appointed committee chairman for the coming year at the first fall meeting held Wednesday afternoon at the school. The chairmen are as follows: Hospitality, Mrs. W. P. Jernigan; program, Mrs. J. P. Coleman; publicity, Mrs. J. P. Parker; room mothers, Mrs. Arnold Scruggs.

Again this year the organization will sell Christmas cards as a money-raising project. In the past the PTA has realized a neat sum from this endeavor.

Coker Dies In Taft, California Hospital

R. L. Coker, Jr., aged 38, died suddenly after a prolonged illness at the Taft Memorial hospital in Taft, California, Saturday afternoon. He was for many years associated with the sugar company in Clewiston and left the company to enlist in the Navy.

Alley & Brown Talk To Rotarians

Coaches Clyde Alley and Charles Brown told Pahokee Rotarians about prospects for a Blue Devil foot ball team this fall. Neither of the coaches was a bit enthusiastic over the outlook and pointed out that it is necessary to start from the ground up to build a team. A tough schedule faces the youngsters and the A&B combination will have to wave a magic wand in order to win a fair share of the games.

John Dulany, former president of the club, was presented a handsome Rotary insignia ring for his year's work as head of the club. Paul Rardin made the presentation on behalf of the club members.

F. W. Cross, Jr., and Pete Bardin, Canal Point boys who have been across the oceans attending to important business, were guests of the club. Each expressed himself as being happy to be back home after so long a sojourn in foreign climes.

Slick Kirchman, and Bo Pugh of Belle Glade were visitors.

Puckett High Man In Tuesday Election

Lee Puckett defeated W. P. Risk in the regular city election in Belle Glade on Tuesday. The score was 336 to 92. Other members of the council, elected unopposed are G. A. Taylor and D. C. DeHaven. C. W. McDonald and E. M. Vandlingham are holdover members.

New Taxi Service

Willie Poole and Charles Sheffield of Frostproof have established a modern taxi service for the Pahokee-Canal Point area which operates under the meter system at reasonable rates. The taxi stand is located next to the police department's shelter at the corner of East Main and Belle Glade Road in Pahokee.

This Time It Really Is About "Frenchy"

William M. (Frenchy) Johnson, private first class, was cited for meritorious achievement in action during the period Dec. 1, 1944 to May 9, 1945 in France and Germany. During this extended period of sustained combat operations, Private Johnson, an ammunition bearer, served with distinction in the Vosges Mountains campaign, the initial assault on the Maginot Line near Bitche, the winter defense mission, the final reduction of the Bitche fortress, and the drive across the Rhine River and into the Swabian highlands of Germany.

On one occasion, during a severe concentration of enemy mortar and artillery fire, he courageously left his foxhole to evacuate a helpless soldier. On this and other occasions, his laudable qualities of personal bravery, aggressiveness and fearlessness have won him the admiration of his fellow men and officers. He entered military service from Pahokee.

1000 SMACKERS OF APPRECIATION

M. U. (Red) Mounts, Palm Beach County agricultural agent, got a thousand thanks in very concrete form recently when farmers in the Everglades region presented him with a \$1,000 bill as an expression of appreciation for his services in helping them develop agriculture during the past 20 years and maintaining it on a high plane.

During this time he has seen the vegetable acreage of the county grow from 2,938 to 102,075 acres planted last year, nearly one half of the total grown in the state, with more than 17,000 carloads rolling to northern markets.

Along with beans, celery, cabbage, and other vegetable crops, diversification is also a key note in the county agent's program, with sugar cane, ramie, cattle fattening, and sweet potato growing for starch manufacture, all a part of this area's planned post war economy.

Except for the term "from Glades farmers," there was no designation of the individual donors. And it was on a Friday the 13th, when he was given the bill at Belle Glade Rotary Club luncheon. Mounts is shown above with a replica of the bill.

Pahokee Schools Have 530 Students

An increase in enrollments over last year was recorded at both Pahokee and Canal Point Schools as classroom work got under way Monday morning.

A total of 530 students registered at Pahokee Schools, 250 in the elementary school and 290 in the high school. This enrollment was divided into the following grade groups: First grade, 41; second, 44; third, 44; fourth, 49; fifth, 37; sixth, 41; seventh, 49; eighth, 55; ninth, 49; tenth, 48; eleventh, 38 and twelfth, 26.

Scout Group Plans For New Work

The North Glades District Council of Boy Scouts met Tuesday night in the Lions club building in Pahokee with an unusually good attendance of troop leaders and council members. Several important and interesting committee reports were made.

Plans were completed for a cook-out within the next 30 days and all white units in the district will participate. Other plans were completed for the fall work of the council, Frank Rozelle said.

Attending the meeting were: A. P. Patterson, Scout executive of West Palm Beach; Orin Bacon, Charles Brown, W. P. Jernigan, W. O. Hatfield, Frank Rozelle, Tommy Griffith and Alton Jones.

My, My, My, Folks Sure Do Like Our New Tabloid Size

Readers of The Everglades News have been profuse in their praise for the new tabloid size issued for the first time last week. We remarked then that our new press would turn out a much neater and easier to read newspaper than the wreck we have been using all these years. The first issue was proof that the new press is sure enough a dilly.

Contemporary newspapers throughout South Florida have been lavish in their praise, for

our new style paper and make-up. Friends have called us and stopped us on the street to compliment us upon the change. Had we known all this praise was in store, we might have made the change years ago. We like the new style paper. It's neater, gives better display of news and advertising.

We are grateful to all the folks who have been so kind in their remarks about the new Tab size. We appreciate those kind expressions.

South Bay To Seek Bids For New Town Building And Jail

The Town of South Bay will receive bids on the 11th of October for erection of a new town hall and jail. South Bay was incorporated in the 1941 session of the state legislature and since that time has grown steadily with many improvements being made.

The successful contractor who gets the bid on the new town hall and jail will have to guarantee the city council that construction will be completed not later than April 30, 1946.

A street building program is another important step in the building of a good town and South Bay is planning for street improvements in the not too distant future. Good water is an asset to any growing town and South Bay's councilmen are giving serious study to this much needed feature.

South Bay councilmen are: W. G. Bowen, chairman, Frank B. Willits, James Summerlin, A. B. Barnes and S. J. Fisher. W. M. Jefferies is mayor and Alvin B. Crow is town clerk.

Wednesday Closing Over At City Hall

City Clerk W. P. Walker said yesterday that "summer is officially over at the city hall" and that the office will be open for transaction of business on Wednesday afternoon, beginning next week.

Frank Rozelle To Take Back Old Job

Frank Rozelle, who has been employed at Kahn's department store for nearly three years, will go back to his old job of selling cars next Monday morning at B. Elliott's in Pahokee. During the years before Pearl Harbor Frank was one of the Lake Region's crack automobile salesmen and had a wide circle of acquaintances which made it easy for him to hang up sales records. With the coming of new Fords not too far away, Frank will be right back in the groove when it comes to letting folks have a new car now and then.

Veterans Office To Open In Pahokee

A veterans' office will be opened in Pahokee City hall on Oct. 1. It has been announced by the Palm Beach County Veterans' bureau. The City of Pahokee has granted the veterans bureau use of one room which will be large enough to take care of the bureau's needs. Appointment of a service officer will be made within the next few days and his name made public, it was pointed out. Belle Glade has a veterans' bureau office which serves the Belle Glade, Chosen, South Bay and Lake Harbor communities. The Pahokee office will serve Canal Point, Pahokee and Sand Cut.

Changes Are Made In Pahokee Faculty

Two changes in the faculty of Pahokee Schools were announced this week by Principal D. D. Caudill. Mrs. Myrtle Colson has been appointed librarian of the high school library and Mrs. Floreid Speer has been named third grade teacher in the elementary school, replacing Miss Maxine Courson who recently resigned.

Glades Schools Off To A Good Start

The youth of the Everglades trekked back to school on Monday morning of this week. Some for the first time and others starting their final school year. Enrollments are up in the area and school facilities will be taxed to care for all the youngsters.

At Canal Point the enrollment was up to 121, according to figures released by Mrs. Loel Lence, principal. The figure is slightly higher than last year, Mrs. Lence said.

In Pahokee 530 students enrolled with 250 of these in the elementary grades, according to Principal D. D. Caudill's figures. The Pahokee enrollment shows a substantial increase over last year, the Pahokee school head said.

In Belle Glade the enrollment reached a grand total of 664 students with 364 in high school. The remainder of 300 includes the elementary grades and the Osceola camp school of 88, according to figures from the office of Principal Frank O. Hobson.

Principal H. S. Emery at South Bay was delighted with the outlook for a successful year in that school with an enrollment of 142 students the first week.

Schools throughout the Glades, under the direction of capable and efficient principals and faculties, are looking forward to another successful school year. The Lake area has been particularly blessed in years past in that the youngsters have been provided with unexcelled schools and the school year of 1945-46 should be no exception.

State News Briefs

Attorney General Tom Watson has suggested that Lt. Col. Kenneth Ballinger be appointed director of the Florida Highway patrol. It would be a happy appointment. Ballinger is fully capable of handling the job in an efficient manner. He is a lawyer and former political columnist for the Miami Herald.

Although a 1945 law says that husbands of Waves, Wacs and Marines, may enter FSCW at Tallahassee, up until Tuesday there had been no men registered for the fall term.

The state cabinet in session in Tallahassee Tuesday said that an effort would be made to secure abandoned aviation school sites at Avon Park and Arcadia for state hospitals. Plans also were made for expenditure of nearly a half-million dollars for improvement of the state hospital at Chattahoochee.

Circuit Judge Joseph S. White

said Tuesday he would issue a writ directing Registration Supervisor DeWitt Uphthegrove to register J. H. Terrill, negro dentist, as a member of the Democratic party. The decision comes as a result of a petition by Terrill saying that the supervisor refused to register him as a Democrat.

Andy O'Rourke, manager of the nationally-known Urney hotel in Miami, died suddenly Monday night from a heart attack. He was on his way home from a Legion meeting when he was stricken. O'Rourke was 55.

Mayor Lee Ragan of Riviera Beach said this week that at least 400 new residences will be constructed in his town during the next few months. His statement comes after a careful survey of needs in the north Palm Beach county town.

War time will come to an end on September 30, according to a Washington announcement. Americans will turn their clocks back an hour on that date.

Palm Beach Kennel club will

open for a special 39-day racing meeting on Oct. 1. The meet will close on Nov. 14. The regular winter racing meet will open on Jan. 5, 1946 and run 90 days.

Do you like cheese? All ration points are off all kinds of cheese, according to an announcement from Washington. Predictions say that meat rationing will cease Oct. 1.

Records in Washington show that one in 15 discharged veterans has converted his army life insurance to available peacetime form.

Effective Dec. 1, rationing will be lifted on new trucks, tractors and trailers, according to ODT. This will be welcome news to farmers in the Lake Farming Region where new trucks are greatly in need.

The Navy disclosed this week that 253 U. S. Naval craft were lost in the Okinawa campaign. The list included 12 destroyers.

More celery will be grown in the Lake Okeechobee farming region than ever before. Growers are busy setting plants and the luscious weed will be in production during the early part of December. It is at that time of the year that celery usually brings high prices.

USO-Camp Show s Popular With GPs

GAINESVILLE — Contributing to both the personnel of the armed forces and to their entertainment, Gainesville, Florida, is represented by a member of the latest USO-Camp Show unit, presently touring in the South Pacific war theatre and taking "Made-in-America" brand of happiness to battle-weary GIs, according to a report to Judge John A. Murphee, Alachua County Chairman, from the National War Fund.

Harvey Dunn, versatile singer, actor and magician, is a native of Gainesville, who is in the cast of "Three Men on a Horse", a new Camp Show company which recently arrived in the South Pacific, the report to Chairman Judge Murphee.

Dunn began his professional career as a tenor in the Rob Roy Quartette. He then turned to magic and impersonations on a vaudeville circuit, and after five years branched into the dramatic field, appearing with stock and repertory companies. The past two years he has been appearing with USO-Camp Shows on the Victory Circuit. In between times during his career, he did radio announcing over station WALB in Albany, Ga.

The "Three Men on a Horse" company is but one of many overseas units of USO-Camp Shows whose activities are financed by the contributions to The National War Fund-Florida Division, Chairman Murphee of Alachua County explained.

MEN'S BIBLE CLASS

Fifty-nine were in attendance last Sunday in the Pahokee Men's Bible Class to hear Bob Jones College ministerial student, R. L. Levy in his stirring address on "What Made The Great Men Of The Bible Great." Three arrived too late to be recorded, making the actual attendance sixty two. This Sunday, the teacher Rev. C. A. Moberg will be the speaker for the first time in a month. His subject will be "The Home." The Class Quartet will feature with the rendering of two selections. A most cordial invitation is extended to all unaffiliated men of the community, visitors and service men. The class meets each Sunday in the Lion's Club building at 9:45.

Winter Haven Jaycees with the aid of Dick Pope, stole a march on the rest of the nation and staged the first officially sanctioned motor-boat regatta since Pearl Harbor, featuring Gar Wood, Jr., Al Strum and other top notch power boat speed men at Cypress Gardens on Labor Day. Nationwide publicity resulted from the event.

Cinematic Chatter

By Malcolm Millar

I had read the book, by Vicky Baum, "Hotel Berlin", so naturally I was anxious to see the picture and criticise any discrepancy in the cinematic classic. There were none!

First, here is the cast: Helmut Dantine and Raymond Massey head the list and in second place comes Faye Emerson, Andrea King, Peter Lorre, Alan Hale, George Coulouris and Helen Thimig.

Here is the story: A group of people, including an actress, a Nazi general, a woman of doubtful reputation, and a member of the underground Nazi movement, are staying at a hotel in Berlin. The actress, in reality pro-Nazi, pretends to be anti-Nazi in order to trap the underground leader. However she is exposed in time and destroyed by the leader, who really has fallen in love with her.

On Tuesday-Wednesday double features will be presented. First one up is "Heavenly Body" which stars Hedy Lamarr and William Powell.

This one is a comedy . . . And Good . . . For, as anyone who likes Bill Powell and his brand of comedy knows, when Bill does a comedy . . . Bill Does a Comedy. Second feature on this program is "Zombies on Broadway" which stars Bela Lugosi, Wally Brown and Alan Carney and promises to be a very hilarious show.

Thursday-Friday brings a very clever musical show under the title "Presenting Lily Mars", which stars Judy Garland and Richard Carlson.

Saturday brings The Three Mesquiteers in "Sante Fe Scouts", which is slated as a real Western actionated show.

See you at the movies.—Mal.

Loan Is Made For International Hiway

MIAMI.—Miami's hope of becoming a point of call on an international highway system linking the America's seems about to be realized.

Granting of a \$150,000,000 loan by the Florida National Bank of Jacksonville to the Gulf-Atlantic Transportation Co., assures early establishment of ferry service between Key West and Havana, H. G. Williams, president of GATCO, said.

It will mean that Cuba and Mexico will be linked by regular ferry service across the Gulf of Yucatan, enabling motorists to reach Mexico City via Florida and Miami.

Super ferries will be used, Williams said, capable of carrying from 150 to 300 automobiles. When highway facilities permit, it is planned to extend the service to Haiti, Puerto Rico, and Jamaica.

"We feel the entire State of Florida will benefit from this service, inasmuch as thousands of tourists, taking advantage of the overseas rapid transportation to neighboring countries, will pack the highways to Florida and spend much of their time here," he said.

Associated with Williams are George T. Baker, president of National Airlines, Inc., J. H. Coppedge, commander on leave from the Navy and George W. Gibbs, Jr., Jacksonville.

FEW COPIES OF SPECIAL EDITION ARE AVAILABLE

We have in this office a few copies of the 20th Anniversary edition of The Everglades News which was printed the first of June. URGES EXTENSION-OF RELIGIOUS EDUCATION

CHICAGO, Sept. 13.—(FNS)—Urging that religious education of the nation's children be "fostered and extended", President Harry S. Truman gave his endorsement to the 15th Annual Religious Education Week, September 30 to October 7 in a letter from the White House, released this week by Dr. Roy G. Ross, general secretary of the International Council of Religious Education, sponsor of the program.

"The 15th annual Religious Education Week is a national event of significance", President Truman wrote to Dr. Ross. "At a time when stars hang in the windows of the nation's homes to honor the absent warriors; when millions of Americans live in temporary homes and in migrant centers

while they work at war jobs, it is important to urge that religious education of the nation's children be fostered and extended."

THEY LIKE DDT

KISSIMMEE, Sept. 13.—(FNS)—Cattlemen of Osceola County expressed themselves as well pleased over results obtained in the experimental spraying of several herds of cattle with DDT. Cattle sprayed from the solution were free from flies and one cattleman facetiously complained that cows would forget how to use their tails when the insecticide comes in general use.

A survey conducted recently reveals that there are 163 pure-bred beef herds in the State. These include Brahmas, Angus, Polled Herefords, Short Horn, Hereford, Red Polled and Devon cattle.

Post war sleeping cars will offer every passenger a private room, it was announced this week by the Edward G. Budd "manufacturing company, which will start the

manufacture of this new type car shortly. Known as the "Budgetette", the new car makes the old time Pullman with its upper and lower berth obsolete.

Alley & Brown Put Blue Devils Thru Strenuous Paces

If you want to see some high school boys getting an honest-to-goodness workout, just saunter over to Lair Field most any afternoon and watch the Pahokee Blue Devil football squad "sweat it out" under the training program of their new coach, Clyde Alley, and his assistant, Charles Brown.

If you are thirty-five your muscles will twitch in sympathy just to watch some of the conditioning exercises the boys have been going through for the past week. They started off last week, as usual just a bunch of softies after the summer vacation. In a week's time they have received more beneficial exercise and training than any Blue Devil squad in the past several years received in a month. Some are griping about it but deep down in their hearts they know they are getting just what it takes to make a football player and despite charley horses and sore muscles only one or two of the 33 or 34 boys who started out have called it quits. The others are sticking to it and we don't believe they will be sorry.

Pahokee's late start in practice is compensated somewhat by the equally late opening of its schedule on Oct. 5. After a week of calisthenics the squad put on their work uniforms Monday and settled down to the business of learning football fundamentals. There wasn't a uniform in the lot big enough to fit Frank Tillis so he had to work out in shorts and soon stumbled into a honey of a charley horse. Local fans say if Frank gets rid of those twenty or so pounds that have inspired the nick-name of "Jellyroll" and can take enough of the Alley-Brown type of training, he might develop into an outstanding fullback.

There will however be no stars on this season's Blue Devil team, if Coach Alley has his way. Good blockers and tacklers, in his opinion, deserve and should receive as much credit as punters and ball carriers. He warned his men, as they started to learn blocking, tackling and charging in the running of a few plays this week.

BAPTIST CHURCH NOTES

The revival spirit continues to permeate the atmosphere of the First Baptist Church, Pahokee, with 223 in Sunday School last Sunday and 101 in Training Union. Twenty-two were baptized last Sunday afternoon. Capacity congregations were in evidence both services. This Sunday the pastor Rev. C. A. Moberg will preach at the eleven o'clock hour on "The Holy Spirit." The ladies' Quartet will sing. At the evening hour, the fifty voice chorus will augment the inspiring song service conducted by Rep Cowart. The Class Quartet will again present a program. The pastor will preach. The Training Union will begin at seven instead of 1:15, changing the preaching hour to eight.

Farmers Continue Battle To Change Negro Camp's Color

H. E. Spangler of West Palm Beach, area labor supervisor for the Department of Agriculture, met with farmers of the Pahokee-Canal Point area in the Pahokee city hall Friday night to discuss ways and means of getting the Pahokee Migratory Labor Camp reconverted into a white labor camp. The FSA originally built the Pahokee camp for white migrant labor but after a year or two of operation it was changed to house imported negro farm labor. Since that time the housing situation for white labor has been critical in this area and farmers are anxious to have it available again for white residents.

Introduced by H. L. Speer, Federal Labor Bureau agent for the Glades area, Mr. Spangler outlined steps that should be taken to get the camp reconverted, including the enlistment of all possible support from congressmen representing this area. He said it was his opinion that two of the three migratory labor camps in the Pahokee-Canal Point area provided suf-

ficient housing facilities to take care of migrant negro labor and that either the Pahokee or the Canal Point camp should be used for white labor. He also promised the farmers his assistance in efforts to get the change approved in Washington.

Fred Dreyer, farm labor specialist of Atlanta, Ga., also spoke briefly. Mayor O. B. McClure presided at the meeting.

Formal dedication of the new \$450,000 extension of state road 17 was held Labor Day with Governor Millard F. Caldwell and former Governor Spessard L. Holland featured on the dedication ceremonies program.

Business Circle To Name Officers

Mrs. R. S. Douthitt, Mrs. H. L. Speer and Mrs. Ralph Grimes were named on a committee to nominate new officers for the Business Woman's Circle, Pahokee First Baptist WMU, at a meeting at the home of Mrs. O. O. Gilbert on Monday night. The committee will make its report at the circle's next business meeting. Mrs. Gilbert, chairman who presided, appointed Mrs. Dave Young and Mrs. Henderson on the group's community mission committee.

Ministerial Student Returns To College

H. L. Levy, Jr., who has been visiting his parents Mr. and Mrs. H. L. Levy, Sr., and brother-in-law and sister, Mr. and Mrs. L. W. Connell in Pahokee, left Sunday for Bob Jones College, Cleveland, Tenn., where he has been a ministerial student for two years. During this summer he served as assistant pastor of the Dade City, Fla., First Baptist church and as supply pastor at Ft. Dade Mission church. He plans to return to Dade City next summer.

Phyllis Belk Is Head Of Youth Group

Miss Phyllis Belk has been elected president of the Pahokee Methodist Youth Fellowship group. Other new officers elected for the coming year include Lucille Rogers, vice president; Joy Padgett, secretary and treasurer; Joyce Fields, worship and evangelism chairman; Laurie Rogers, world friendship chairman; Ora Fay Cranford, recreation chairman and Milton Carpenter, community service chairman.

The annual Youth Fellowship day was observed at the church on Sunday evening at which time Rev. T. A. Ferguson preached a special sermon on "Youth Fellowship." Following the services a social hour was enjoyed by the young people.

Annual Rally Day At Methodist Church

Plans for annual Rally and Promotion Day at the Pahokee Methodist Sunday School on Sunday morning, Oct. 7, were made by the Board of Christian Education at a meeting Monday night. An old-fashioned picnic dinner will be held on the church grounds immediately following the morning service. T. L. Burns, Sunday school superintendent, will be in charge of arrangements.

The board voted to use church school funds in assuming one-half the expense of entertaining the Teen-Agers at their regular Thursday evening social meetings at the church. Board members agreed to promote a church school membership drive which is to reach a climax on rally day.

Charles R. Barfield, formerly with the Pahokee News but at present employed at Morrison Field printing department at West Palm Beach, visited his mother and sister in Pahokee Sunday.

CARD OF THANKS

We wish to thank our many friends who were so kind to us during the sudden illness and death of our loved one. We shall always remember the expressions of kindness and the many beautiful floral offerings. We want each and every one to know that we are deeply grateful.

Mr. and Mrs. T. W. Jenkins, Chas. Cardin and Son.

Study Course Is Outlined At Meeting

A fall mission study course for members of the Pahokee Methodist Woman's Society of Christian Service was outlined by Mrs. T. A. Ferguson, mission chairman, at a WSCS meeting at the church Monday afternoon. Textbooks will include Larwin's "Economic Planning by the United States," Temple's "Christianity and the Social Order" and "Christianity and the New World Order."

It was announced that the group will observe week of prayer Oct. 25-31 with Mrs. R. J. Schroder, spiritual life chairman, in charge of program arrangements.

It was voted to make a contribution of used clothing to Goodwill Industries in Jacksonville. Mrs. J. A. Dulany, supplies chairman, will be in charge of the sorting and packing of the clothing with the persons designated as the collection center.

Mrs. Ralph Stanley, president, asked the group to make preparations to nominate two members for WSCS life membership at the next meeting. In the future newly born infants whose parents are members of the church will be presented with WSCS life memberships, she announced.

A devotional program on "Making Jesus a Reality in Our Church Work" was presented by Mrs. Schroder. It was announced that the Simmons-Lair Circle will meet at the home of Mrs. G. W. Hyrd on Sept. 24.

Mrs. Doss Tabb will return this week to Navarre, Fla., where she will join her husband, Sgt. Doss Tabb who has been re-assigned to Eglin Field. Sgt. Tabb was home a few weeks ago and thought his future assignment would be in the Pacific. Mrs. Tabb came to Pahokee to stay while he was away. A telegram from him this week was to the effect that he had been re-assigned to Eglin Field.

Daytime Circle Is Lottie Moon Circle

The daytime circle of the Pahokee First Baptist Woman's Missionary Union was given the official name of Lottie Moon Circle at a meeting at the church Monday afternoon.

The program topic for the afternoon, "Women in Southern Baptist History", was discussed in talks by Mrs. Stella Mullis, Miss Elizabeth Caraway, Mrs. Margaret Thompson, Mrs. W. A. Stevens, Mrs. W. H. Key, Mrs. G. Gillis, Mrs. J. E. Unwin, Mrs. G. M. Grimes and Mrs. L. M. Mullis. Mrs. Unwin and Mrs. L. M. Mullis were named on the church floral committee for Sept. 16. Mrs. J. C. Mock led the devotionals.

Mrs. Gillis, Sunbeam Band leader, reported that the SB has been re-organized and is meeting regularly every Friday afternoon at 4. Mrs. Albert Snyder gave a reading, "The World is Mine."

Teen-Agers Gather At Church Tonic

The Teen-Agers will gather at the Methodist Church grounds for an evening of entertainment on Friday instead of Thursday this week. This change was made in order not to conflict with a meeting already scheduled to be held

at the church on Thursday evening. Charles Brown, the new assistant coach at Pahokee High School, will be in charge of the program of games and other entertainment.

Reception Held For South Bay Teachers

A reception for the teachers featured the first meeting of the South Bay School PTA. The meeting was held in the school auditorium Monday night, Sept. 10, with Mrs. S. M. McAllister, the new president, in charge.

After the regular business session, Mrs. Bobby Allum, Belle Glade band director, gave a very interesting talk on music in the schools. Mrs. Allum will give band instruction in the South Bay also, this year.

Miss Alma Murphy, music teacher, was also introduced and spoke briefly.

Principal H. S. Emery presented the teachers: Mrs. Elizabeth Parsons, grade one and two; Mrs. Olga Hardy, grades three and four; Mrs. Lessie Martin, grade five; Mrs. Edythe Eckman, grade six; Miss Mary Alma Murphy, Junior high English and social studies; and Mrs. Allum and Miss Alma Murphy.

After the teachers had been presented with corsages, the group adjourned to the school cafeteria for the reception.

Part 2 of a grand homecoming...

Part 1 is up to us!

Long before his troubles vanish in her warm embrace . . . long before he sees home again, he can be there—if you will help him.

The first thought of thousands of weary men, now landing in the South, is to rush to the telephone and call home.

What a disappointment if they find all long distance lines busy and they can't get their calls through.

Your telephone company is doing all that is humanly possible and you can help, too, by skipping all unnecessary calls—and by cutting short the essential ones.

If you find this inconvenient, just remember what that first call home means to returning service men.

Continued Subsidy For Farmers Seen For 1945 Under New Agricultural Set-Up

Under the recent Agricultural Department reorganization in Washington, it has been announced that the work formerly conducted by the Agricultural Adjustment Administration will be combined under a new department, the Production and Marketing Administration. It has not yet been announced what changes are planned, but evidently a continued subsidy for farmers will at least be made available through the season of 1945.

Two types of farmers are eligible for payments in the Everglades area. First, those farmers who have planted some type of cover crop. In the Glades area, this cover crop would very largely

be Sesbania or Egyptian Wheat. All farmers who planted such cover crops should report the area planted and turned over to the County Agent's office in West Palm Beach. This report can either be made in person or in writing. No payments will be made for truning under cover crops of weeds or grass.

The second type of farmer interested in the 1945 program, is the cattle owner planting or maintaining pastures. In order to qualify for payments under the pasture program, a letter must be written to the Agricultural Conservation Association at the County Agent's office in West Palm Beach, stating that the farmer wishes to participate in the

1945 pasture program, and designating the sections in which this pasture work will be conducted. Before a farmer can enroll in the program, this letter must be on file.

As is generally known, payments are made for planting permanent pasture of various designated varieties of grass, for applications of certain fertilizers, for mowing, for construction of shallow field ditches, etc. Anyone interested in the pasture program, will be sent complete literature on the practices when the above mentioned letter is received in the county agent's office.

Expects Biggest Tourist Season In Florida History

JACKSONVILLE. — With the railroads now permitted to operate seasonal passenger trains, railroad officials are predicting that the coming tourist season will be one of the biggest in Florida's history.

Nine deluxe passenger trains from the north and west that were discontinued when ODT travel restrictions went into effect will be restored this season if sufficient equipment is available.

These seasonal trains are the Dixiana, Floridian and Florida Arrow from Chicago, operating over the Atlantic Coast Line and Florida East Coast Railway, the Vacationer, Miami and two Florida specials operating over the same lines from New York. The Seaboard Airline will operate its famed "Orange Blossom Special" from New York and a new special train from Chicago, while the Silver Meteor will be maintained on the same high standard it always has.

It is expected that a large number of Pullman cars will be released in time for use this winter to give all lines additional sleepers.

TWO REGIONAL FAVORITES WITH A FUTURE

FLORIDA GUMBO

RECIPE

● Rub a heavy skillet lightly with garlic. Heat slightly less than ¼ cup of bacon drippings or salad oil and fry 1 small onion (thinly sliced) until golden in color. Add 2 cups cut okra, ¼ cup boiling water and 5 fresh tomatoes, peeled and sliced. Stir often, adding salt, pepper and whatever seasoning you may prefer (bay leaf or thyme is suggested) and cook until thick—about one hour. Serves four amply. If fresh mushrooms are obtainable, they may be broiled, sliced and added. The garlic is optional—Florida Gumbo is delicious either way. Serve with rice, crusty corn pone, and mellow, tempting JAX Beer.

JAX has mailed \$5.00 to the contributor of this recipe. Send us your regional recipe suggestion. If published \$5.00 will be paid for its use. Address: Recipe Editor, JAX Brewing Co., Jacksonville, Florida

Beer

● Here's a meal long to be remembered: piping-hot Florida Gumbo, served over rice, and accompanied by a frosty bottle of JAX Beer, the golden Drink of Friendship. Florida Gumbo is one of our great regional foods, just as JAX is our great regional beer. With a flavor distinctively Southeastern, JAX is brewed to please Southeastern palates and complement Southeastern dishes.

● Always serve JAX. Notice how its keen, tangy aroma, rich, full-bodied flavor and sparkling liveliness appeal to your taste, and to that of your guests. JAX is a premium beer, a distinguished brew, yet you don't pay a premium price to enjoy it!

AIRACOBRAS TESTED ON SINCLAIR PENNSYLVANIA MOTOR OIL

When Bell Airacobras, deadly pursuit planes, are given the works on test flights their 1150 horsepower Allison engines, are kept safely lubricated with Sinclair Pennsylvania Motor Oil—the same quality Sinclair Pennsylvania sold by your nearby Sinclair Dealer.

Now that your car must last longer, keep it safely lubricated with the same quality oil that protects the Airacobra's engine at 600 m.p.h. Have your Sinclair Dealer drain and refill your crankcase with Sinclair Pennsylvania Motor Oil every 1,000 miles. It lasts so long it saves money as well as your engine.

Pahokee PTA Seeks Membership Of 500

Dear Friends:

This is to urge you to become a member of The Pahokee P. T. A. for 1945-46. Whether you are a parent or not, surely you are interested in the welfare of children. Duncan Padgett, and his committee of Henry Barwick and Elmer Jones hope to reach a goal of 500, a new record, not because of just achieving this but because of the Need. Pahokee is one place that rushes to causes for the upbuilding of the community, hence, this writer is confident of the spirit of cooperation that will be displayed as to the above. Please be with us in our first meeting, Monday October 7, school auditorium at eight.

Yours,
C. A. Moberg,
President.

Communication

General Headquarters United States Army Forces, Pacific Of The Commander-In-Chief 24 August 1945

Dear Mrs. Geiger:

My deepest sympathy goes to you in the death of your son, Technician Fourth Grade Hubert D. Geiger, while a prisoner of War of the enemy.

You may have some consolation in the memory that he, along with his comrades-in-arms who died on Bataan and Corregidor and in prison camps, gave his life for his country. It was largely their magnificent courage and sacrifices which stopped the enemy in the Philippines and gave us the time to arm our selves for our return to the Philippines and the final defeat of Japan. Their names will be enshrined in our country's glory forever.

In your son's death I have lost a gallant comrade and mourn with you.

Very Faithfully,
Douglas MacArthur

With from 20 to 25 percent increase in traffic accidents, injuries and deaths due to the increased speeds and non-rationed gasoline, do you feel that strict enforcement is necessary? Asks Asher Frank of the Florida Safety Council in an open letter to the public. Consideration of this vital problem now, he points out, will save many lives.

Jack Waldschlager spent the week end in Pahokee with his parents while on his way to Miami after spending several months in New Orleans. He will accept a position in Miami.

HOME From The WAR

Radarman First Class was the title enjoyed by S. E. Gammage up until Tuesday of this week when he was returned to civilian life and his job as lineman with the Florida Power and Light company at Pahokee. S. E. served three years, seven months and 15 days with Uncle Sam's Navy and saw some hot action in the Pacific. His ship shelled Tokyo and his hottest action came on D-Day when his outfit was in on the Iwo Jima invasion. His ship had some narrow escapes and was damaged one time—but not badly enough to keep her from returning to the states under her own power for repairs.

An associated Press dispatch shows the name of Sgt. Elmo N. Hancock, Fort Pierce, as receiving an honorable discharge from the army. Elmo is the son of Mrs. C. G. Schaez, WAC, who with Mr. Schaez formerly operated the Pick-Wick Cafe in Pahokee. He attended Pahokee high school.

Mr. and Mrs. E. C. Cowart of Chosen announce the birth of a son, Eva Cedric, at the Everglades Memorial Hospital on Wednesday, Sept. 5.

Mr. and Mrs. Fred Boles of Belle Glade announce the birth of a son at the Everglades Memorial Hospital on Monday, Sept. 10.

KAHN'S STORE RECEIVES PAINT INSIDE AND OUT

Painters are busy this week giving Kahn's Store in Pahokee a new coat of paint inside and out. The building, owned by R. W. Sanders, is one of the finest merchandise establishments in the Lake Region. Painters will complete their job of redecorating the store by Saturday night.

Parker T. Wilson, pharmacist, is in Baltimore this week where he is visiting Johns Hopkins hospital for treatment of a leg ailment. Parker is associated with Bolton's Drug store in Pahokee and will be back on duty on Sept. 24, if everything works out according to schedule.

Sinclair Rushes Pre-War Quality Gas To Consumers

Gasoline of better than pre-war quality has been started to local motorists from Sinclair Refineries, according to a statement by A. E. "Slick" Kirchman, agent for the Glades area. Mr. Kirchman said: "Sinclair Refineries are shipping 75 octane Sinclair H-C gasoline and 80 octane premium grade. Steps are being taken to raise the octane value of gasoline now in storage so as to make pre-war quality gas available at once. This would be accomplished on storage gas by blending. We are anxious to give the motorist pre-war quality at once."

Woman's Club To Meet Tues., Sept. 18

Mrs. Sadie Barwick, president, has called a special meeting of the Pahokee Woman's Club at the clubhouse on Tuesday, Sept. 18, at 8:30 p. m. Club work for the coming year will be outlined and members of standing committees will be named at this meeting. All members are urged to be present.

By Paul Rardin

"I picked up a magazine yesterday and an article of interest was the one about babies. In it I found a lot of facts and figures. Among them the following:

"His chances of being a boy are slightly over 50-50. It's 80 to 1 he won't be twins, 5,400 to 1 he won't be triplets, 512,000 against quadruplets, and 40,960,000 he won't be quintuplets. So if you're shopping for a twin carriage or triple-decker bassinet, don't. Or at least not unless you believe in long odds or multiple births run in your family. If so, such window shopping isn't wholly a bad idea. He's more likely to arrive during the summer months than at any other season, and his parents make a pretty-good guess within 10 days of when the blessed event will be."

The Man Who Counts Ice Cubes!

● Joe Doakes doesn't count sheep any more. He counts *ice cubes*!

They don't help him drop off to sleep either, but at least he can dream, can't he?

Poor Joe just can't get his forty winks these hot, muggy nights . . . says his bed room is like a Turkish bath long after that evenin' sun goes down . . . and the skeeters eat him alive if he tries to snooze on the porch!

It's plain to see that Joe never heard that modern air conditioning . . . engineered by the Belcher Industries provides clean, fresh air,

wonderfully cooled, clear around the clock from morning to night . . . with controlled temperature and humidity, day after day, summer or winter.

If Joe doesn't want to be caught napping, he'll come down to Belcher Industries with his architect or consulting engineer and order an air conditioning system tailored to fit his needs.

The Belcher Industries will fill all orders in sequence . . . just as soon as equipment is made available by the Government. A deposit now will insure you priority of delivery!
